

MCHA Statement Regarding Social Justice

June 2020

The Montgomery County Housing Authority stands against racial injustice and is deeply troubled by the recent highly publicized incidents of police brutality and by the thousands of other similar incidents that receive less media coverage, but are none the less disturbing.

At this time, we extend our deepest condolences to families of George Floyd, Breonna Taylor and Ahmaud Arbery and we take inspiration from the thousands of peaceful protesters across our nation that have raised their voices in opposition to systemic racism.

The MCHA commits to continuing to refine and enforce our policies and practices to ensure our systems are free from bias in both our workplace and our delivery of services in support of low-income households across Montgomery County.
