EMERGENCY HOUSING VOUCHERS

The Montgomery County Housing Authority has been awarded *Emergency Housing Vouchers* provided through the U.S. Dept. of Housing and Urban Development. The EHV's come from the *American Rescue Plan* signed in to law by President Biden. The vouchers will serve those individuals who are homeless, at risk of homelessness, fleeing domestic violence, dating violence, sexual assault, stalking, or human trafficking. **EHV's will be prioritized via Montgomery County's Your Way Home Program. If you or anyone you know are experiencing any of the above categories, please contact Your Way Home by dialing 2-1-1 or text your zip code to 898-211. Eligible households will be processed through Your Way Home for a referral to MCHA.** The MCHA will not be distributing applications. For further information or questions, please contact Lynda Haley, Director of Management and Administration by calling 610-247-1501.
